

# SMASH BURGERS

---

*Smash burgers are prepared using a special technique, which consists in adding two 75 g beef patties, which are strongly pressed against a hot grill. With this style, we ensure the maximum crispiness of the beef. With our homemade butter bun and a generous dose of cheddar cheese, it's the perfect combination.*

# GURMAN BURGERS

We called the gurman burger a burger, where it involves preparing a decent piece of 170g beef with the principle of grilling like steaks. The meat is beautifully caramelized and baked on the outside and juicy and pink on the inside. It is the complete opposite of a smash burger.
