

JUMP STREET - BURGER & BAR

It's not just about burgers.

JUMP STREET is a vibe.

A lifestyle where quality, flavor, and good energy meet. Every bite is crafted with honest ingredients – 100% organic beef from local farms, buttery buns we bake fresh every day. Soft, fluffy, the way it should be.

Behind it all is a Slovak story – the JUMP STREET brand was founded in 2018, when Patrik Fabian was just 19 years old with a big vision: to bring real burgers to people in a stylish setting at a fair price. Years of non-stop hustle, growth, and improvement have brought us here – among the top street food brands loved and revisited by many.

Laughter, burgers, and good vibes. Whether it's on social media, in our restaurant, or at the food truck – burgers taste best when served with a smile.

It doesn't matter if you're a student fresh out of an exam, a family on a Sunday lunch, a teenage couple, a classic who sticks to their favorite, or a passerby craving something proper – everyone is welcome here.

This is not just a restaurant. This is JUMP STREET.

Welcome!
